Pomona, NY – May 12, 2023 - Knights Bridge Resources, a certified Service Disabled Veteran-Owned small business in Wyckoff, New Jersey, was awarded a \$10,000 Back2Business grant from [Fiserv](#) during Opening Day at Clover Stadium, home of the New York Boulders.

Frederick Bradbury, President and CEO of [Knights Bridge Resources](#), a small businesses specializing in technology, IT, and business consulting across a wide variety of design, construction, and renovation projects for federal agencies and private entities, was announced as the grant recipient during pre-game festivities on Thursday, May 11.

“As a small business we rely on the support of our community and other businesses. We are humbled and honored by this recognition,” said Bradbury, who served as a U.S. Army Special Forces-Green Beret before opening his own business. “This grant will help my business establish additional engineering relationships that are essential to serve our clients across the education and government markets.”

The presentation marked the second consecutive year that Fiserv and the New York Boulders have kicked off the season at Clover Stadium by presenting a Back2Business grant to a local, veteran-owned small business. In 2022, Fiserv presented a \$10,000 Back2Business grant to Michael Nordstrom, Vice President and Partner of Nordstrom Contracting.

Fiserv is a leading global provider of payments and financial services technology, including Clover, a complete point-of-sale and business management system enabling businesses to maximize their operating efficiencies and grow while providing customers flexible ways to pay. The grant is part of the [Fiserv Back2Business program](#) – a \$50 million commitment to help small diverse businesses through grants, small business consultation, Clover technology, and networking opportunities.

In January 2022, the New York Boulders entered a multi-year naming rights partnership with Fiserv to rename the Boulders home venue Clover Stadium. Clover is used by more than 1,500 small businesses in northeast New Jersey and the Lower Hudson Valley.
