## **Fiserv President of Investment Services Cheryl Nash Wins 2017 Family Wealth Report Award for Women in Wealth Management**

### **Fiserv President of Investment Services Cheryl Nash Wins 2017 Family Wealth Report Award for Women in Wealth Management**

**BROOKFIELD, Wis., March 27, 2017** – [Fiserv, Inc.](#) (NASDAQ: FISV), a leading global provider of financial services technology solutions, today announced that Cheryl Nash, president of Investment Services at Fiserv, received the top honor for Women in Wealth Management at the [Family Wealth Report Awards 2017](#). Nash was honored for her individual contribution, inspiration and support of women in wealth management at an awards ceremony on March 2 in New York City.

Now in its fourth year, the Family Wealth Report Awards recognizes companies, teams, and individuals from the global private banking, wealth management, and advisor communities. The award categories are focused on three areas – experts, products, and services for wealth managers -- and are judged by a panel of industry experts to reward service providers that have demonstrated innovation and excellence over the previous 12 months. Fiserv was also a finalist in the Portfolio Management, Client Communications, and Innovative Client Solution categories.

“It is an honor to be recognized by the Family Wealth Report and accept an award that acknowledges the contributions and successes of women in wealth management,” said Cheryl Nash, president, Investment Services, Fiserv. “Firms see the value of inclusion and diversity in the workplace, and this is a great time to pursue a career in wealth management. I am committed to raising awareness of the multitude of opportunities available to women in financial services and technology.”

At Fiserv, Nash drives the strategy and execution of the Investment Services business, which delivers industry-leading wealth management technology solutions. Throughout her 30-year career, she has championed innovation in goals-based planning, unified managed accounts (UMA), and technology that enables wealth management professionals to best serve the investment community.

Nash recently received a Gold Stevie® Award as Female Executive of the Year in the Business Products, More than 2,500 Employees category at the 13<sup>th</sup> annual Stevie Awards for Women in Business. In addition, she serves as a positive role model and ambassador for the wealth management industry and helps create opportunities for tomorrow's leaders. As an Envestnet Institute on Campus board member, Nash leads the Women in Wealth Management initiative designed to attract college-age women to wealth management careers to increase gender diversity in the industry. She has received the Money Management Institute's (MMI) Pioneer Award, which embodies advocacy and growth in the industry, co-chaired MMI's Technology & Operations Committee, and sits on MMI's Board of Trustees' Gateway to Leadership program dedicated to workplace diversity.

Fiserv is a market leader providing innovative wealth management solutions and was named “Best Outsourced Technology Infrastructure Provider” in the 2016 U.S. Mutual Fund Services Awards. The Unified Wealth Platform from Fiserv was named “Best Technology Platform” in the 2017 Private Asset Management (PAM) Awards. Wealth Management Network from Fiserv is the premier digital destination for the wealth management industry that facilitates real-time connectivity between all major market participants: asset managers, broker-dealers, banks, aggregators and market utilities, as well as advisors, investors and third-party partners, helping to create a digital wealth management ecosystem.

In a world that is moving faster than ever before, Fiserv helps clients deliver solutions that are in step with the way people live and work today – financial services at the speed of life. Learn more at [fiserv.com](#).
