Item 1.01. Entry into a Material Definitive Agreement.

On September 25, 2012, Fiserv, Inc. (the “Company”) completed the sale of \$700,000,000 aggregate principal amount of its 3.500% Senior Notes due 2022 (the “Notes”). The Notes are guaranteed by certain of the Company’s wholly-owned domestic subsidiaries (the “Guarantors”) and were issued under an Indenture (the “Indenture”), dated as of November 20, 2007, among the Company, the guarantors named therein and U.S. Bank National Association, as Trustee (the “Trustee”), as supplemented by a Tenth Supplemental Indenture, among the Company, the Guarantors and the Trustee, establishing the terms and providing for the issuance of the Notes (the “Supplemental Indenture”).

The Supplemental Indenture and form of the Note, which is included therein, provide, among other things, that the Notes bear interest at a rate of 3.500% per year (payable semi-annually in arrears on April 1 and October 1 of each year, beginning on April 1, 2013), and will mature on October 1, 2022. The interest rate payable on the Notes is subject to adjustment from time to time if a debt rating agency downgrades (or subsequently upgrades) the debt rating assigned to such series of notes.

At any time prior to July 1, 2022, the Company may redeem the Notes at a “make-whole” redemption price, plus accrued and unpaid interest on the Notes being redeemed to, but not including, the redemption date. At any time on or after July 1, 2022, the Company may redeem the Notes at a redemption price equal to 100% of the aggregate principal amount of the Notes being redeemed, plus accrued and unpaid interest on the Notes being redeemed to, but not including, the redemption date. The Company is required to offer to repurchase the Notes for cash at a price of 101% of the aggregate principal amount of the Notes, plus accrued and unpaid interest, upon the occurrence of a change of control triggering event.

All payments with respect to the Notes, including principal and interest, will be fully and unconditionally guaranteed on a senior unsecured basis by the Guarantors. The Company expects that the Notes will also be guaranteed in the future by certain subsidiaries under certain circumstances. If a Guarantor is released from its guarantees with respect to the Company’s Amended and Restated Credit Agreement, dated August 1, 2012, among the Company and the financial institutions parties thereto, the Loan Agreement, dated as of November 9, 2007, among the Company and the financial institutions parties thereto (the “Term Loan Facility”) and any other debt of the Company of an amount in excess of 10% of the Company’s net worth, then such Guarantor will be released from its guarantee of the Notes upon notice by the Company to the Trustee.

The Indenture and the Supplemental Indenture contain customary events of default. If an event of default occurs and is continuing with respect to the Notes, then the Trustee or the holders of at least 25% of the principal amount of the outstanding Notes may declare the Notes to be due and payable immediately. In addition, in the case of an event of default arising from certain events of bankruptcy, insolvency or reorganization, all outstanding Notes will become due and payable immediately.

The description of the Supplemental Indenture set forth above is qualified by reference to the Supplemental Indenture filed as Exhibit 4.1 to this Current Report on Form 8-K and incorporated by reference herein.

Item 2.03. Creation of a Direct Financial Obligation or an Obligation under an Off-Balance Sheet Arrangement of a Registrant.

The information provided in Item 1.01 of this Current Report on Form 8-K is incorporated herein by reference into this Item 2.03.

Item 8.01. Other Events.

The Notes are registered under the Securities Act of 1933, as amended, pursuant to a Registration Statement on Form S-3 (Registration No. 333-169358) that the Company filed with the Securities and Exchange Commission on September 14, 2010 and amended on September 17, 2012. The Company is filing certain exhibits as part of this Current Report on Form 8-K for purposes of such Registration Statement. See “Item 9.01. Financial Statements and Exhibits.” The Company intends to use the net proceeds from the sale of the Notes to repay a portion of the Term Loan Facility that matures in November 2012.

RECITALS OF THE COMPANY

A. The Company has duly authorized the execution and delivery of the Indenture to provide for the issuance from time to time of its unsecured debentures, notes, or other evidences of indebtedness to be issued in one or more series as provided for in the Indenture.

B. Each of the Guarantors has duly authorized the execution and delivery of the Indenture and the Guarantees, the form of which is attached hereto, in order to fully and unconditionally guarantee the Company's obligations under the Indenture.

C. The Indenture provides that the Securities of each series shall be in substantially the form set forth in the Indenture, or in such other form as may be established by or pursuant to a Board Resolution or in one or more supplemental indentures thereto, in each case with such appropriate insertions, omissions, substitutions, and other variations as are required or permitted by the Indenture, and may have such letters, numbers, or other marks of identification and such legends or endorsements placed thereon as may be required to comply with the rules of any securities exchange or Depository therefor or as may, consistently therewith, be determined by the officers executing such Securities, as evidenced by their execution thereof.

D. The Company and the Trustee have agreed that the Company shall issue and deliver, and the Trustee shall authenticate, Securities denominated as its "3.500% Senior Notes due 2022" pursuant to the terms of this Supplemental Indenture and substantially in the form set forth in Section 3.2 below, in each case with such appropriate insertions, omissions, substitutions, and other variations as are required or permitted by the Indenture and this Supplemental Indenture, and with such letters, numbers, or other marks of identification and such legends or endorsements placed thereon as may be required to comply with the rules of any securities exchange or Depository therefor or as may, consistently herewith, be determined by the officers executing such Notes (as defined below), as evidenced by their execution of such Notes.

ARTICLE I ISSUANCE OF SECURITIES

SECTION 1.1 Issuance of Notes; Principal Amount; Maturity.

(1) On September 25, 2012, the Company shall issue and deliver to the Trustee, and the Trustee shall authenticate, the Initial Notes substantially in the form set forth in Section 3.2 below, in each case with such appropriate insertions, omissions, substitutions and other variations as are required or permitted by the Indenture and this Supplemental Indenture, and

with such letters, numbers, or other marks of identification and such legends or endorsements placed thereon as may be required to comply with the rules of any securities exchange or Depository therefor or as may, consistently herewith, be determined by the officers executing such Notes, as evidenced by their execution of such Notes.

(2) The Initial Notes to be issued pursuant to this Supplemental Indenture shall be issued in the aggregate principal amount of \$700,000,000 and shall mature on October 1, 2022 unless the Notes are redeemed or repurchased prior to that date in accordance with the provisions set forth in Section 5.1 or 6.3 respectively, hereof. The aggregate principal amount of Initial Notes Outstanding at any time may not exceed \$700,000,000, except for Notes issued, authenticated and delivered upon registration of transfer of, or in exchange for, or in lieu of, other Notes of the Series pursuant to Sections 304, 305, 306, 906 or 1107 of the Indenture and except for any Notes which, pursuant to Section 303 of the Indenture, are deemed never to have been authenticated and delivered. The Company may without the consent of the Holders, issue Additional Notes hereunder on the same terms and conditions (and having the same guarantors) and with the same CUSIP numbers as the Initial Notes, provided that if any Additional Notes are issued at a price that causes such Additional Notes to have "original issue discount" within the meaning of Section 1273 of the United States Internal Revenue Code of 1986, as amended, and regulations of the United States Department of Treasury thereunder (the "Code"), such Additional Notes shall not have the same CUSIP number as the Initial Notes.

(3) The Notes shall be issued only in fully registered form without coupons in minimum denominations of \$2,000 and any integral multiple of \$1,000 in excess thereof.

SECTION 1.2 Interest.

(1) Interest on the Notes will accrue at the per annum rate of 3.500%, subject to adjustment in accordance with the provisions of Section 1.2(7) (the per annum rate at which the Notes shall bear interest at any time, the "Note Interest Rate"), and will be paid on the basis of a 360-day year of twelve 30-day months.

(2) The Company shall pay interest on the Notes semi-annually in arrears on April 1 and October 1 of each year (each, an "Interest Payment Date."), commencing April 1, 2013.

(3) Interest shall be paid on each Interest Payment Date to the registered Holders of the Notes on the Regular Record Date.

(4) Amounts due on the Maturity Date or earlier Redemption Date or Change of Control Payment Date for the Notes will be payable, at the corporate trust office of the Trustee at 60 Livingston Avenue, Mail Code EP-MN W2ZW, St. Paul, Minnesota 55107-2292 or the office maintained from time to time by the Trustee in The City of New York. The Company may make payment of interest on an Interest Payment Date in respect of Notes in certificated form by check mailed to the address of the Person entitled to the payment as it appears in the Security Register or by transfer to an account maintained by the payee with a bank located in the United States. The Company shall make payments of principal, premium, if any, and interest in respect of Notes in book-entry form to DTC (as defined below) in immediately available funds, while disbursement of such payments to owners of beneficial interests in Notes in book-entry form will be made in accordance with the procedures of DTC and its participants in effect from time to time.

(5) Neither the Company nor the Trustee shall impose any service charge for any transfer or exchange of a Note. However, the Company may ask Holders of the Notes to pay any taxes or other governmental charges in connection with a transfer or exchange of Notes.

(6) If any Interest Payment Date, Maturity Date, Redemption Date or Change of Control Payment Date falls on a day that is not a Business Day, the Company will make the required payment of principal, premium, if any, and/or interest on the next such Business Day as if it were made on the date payment was due, and no interest will accrue on the amount so payable for the period from and after that Interest Payment Date, the Maturity Date or earlier Redemption Date or Change of Control Payment Date, as the case may be, to the next such Business Day.

(7) The Note Interest Rate will be subject to adjustment from time to time if Moody's (or, if applicable, any Substitute Rating Agency) or S&P (or, if applicable, any Substitute Rating Agency) downgrades (or subsequently upgrades) the debt rating assigned to the Notes, as set forth in this Section 1.2(7).

(i) If the ratings from Moody's or S&P (or, in either case if applicable, any Substitute Rating Agency) with respect to the Notes (each, a "Rating Agency", and collectively, the "Rating Agencies") is decreased to a rating set forth in the immediately following table with respect to that Rating Agency, the Note Interest Rate will increase from 3.500% by the percentage set forth opposite that rating:

Rating Level	Rating Agency		Percentage
	Moody's*	S&P*	
1	Ba1	BB+	0.25%
2	Ba2	BB	0.50%
3	Ba3	BB-	0.75%
4	B1 or below	B+ or below	1.00%

* Including the equivalent ratings of any Substitute Rating Agency

(ii) If at any time the Note Interest Rate has been adjusted upward as a result of a decrease in a rating by a Rating Agency and that Rating Agency subsequently increases its rating with respect to the Notes to any of the threshold ratings set forth above, the Note Interest Rate will be decreased such that the interest rate per annum equals 3.500% plus the percentage set forth opposite the rating in effect immediately following the increase in the table above; *provided* that if Moody's or any Substitute Rating Agency subsequently increases its rating of the Notes to "Baa3" (or its equivalent if with respect to any Substitute Rating Agency) or higher and S&P or any Substitute Rating Agency subsequently increases its rating of the Notes to "BBB-" (or its equivalent if with respect to any Substitute Rating Agency) or higher, the Note Interest Rate will be decreased to 3.500%.

(iii) No adjustment in the Note Interest Rate shall be made solely as a result of a Rating Agency ceasing to provide a rating. If at any time less than two Rating Agencies provide a rating of the Notes, the Company will use its commercially reasonable efforts to obtain a rating of the Notes from another nationally recognized statistical rating organization, to the extent one exists, and if another nationally recognized statistical rating organization rates the Notes (such organization, as certified by a Board Resolution, a “Substitute Rating Agency”), for purposes of determining any increase or decrease in the Note Interest Rate pursuant to the table above (a) such Substitute Rating Agency will be substituted for the last Rating Agency to provide a rating for the Notes but which has since ceased to provide such rating, (b) the relative ratings scale used by such Substitute Rating Agency to assign ratings to senior unsecured debt will be determined in good faith by an independent investment banking institution of national standing appointed by the Company and, for purposes of determining the applicable ratings included in the table above with respect to such Substitute Rating Agency, such ratings shall be deemed to be the equivalent ratings used by Moody’s and S&P in such table and (c) the Note Interest Rate will increase or decrease, as the case may be, such that the interest rate per annum equals 3.500% plus the appropriate percentage, if any, set forth opposite the rating from such Substitute Rating Agency in the table above (taking into account the provisions of clause (b) above). For so long as (i) only one Rating Agency provides a rating of the Notes, any increase or decrease in the Note Interest Rate necessitated by a reduction or increase in the rating by that Rating Agency shall be twice the applicable percentage set forth in the table above and (ii) no Rating Agency provides a rating of the Notes, the Note Interest Rate will increase to, or remain at, as the case may be, 5.500%.

(iv) Each adjustment required by any decrease or increase in a rating set forth above, whether occasioned by the action of Moody’s, S&P or any Substitute Rating Agency, shall be made independent of (and in addition to) any and all other adjustments. In no event shall (1) the Note Interest Rate be reduced below 3.500% or (2) the Note Interest Rate exceed 5.500%.

(v) Any interest rate increase or decrease described above will take effect on the next Business Day after the rating change has occurred.

(vi) The Note Interest Rate will permanently cease to be subject to any adjustment described above (notwithstanding any subsequent decrease in the ratings by any Rating Agency) if the Notes become rated “A3” (or its equivalent) or higher by Moody’s (or any Substitute Rating Agency) and “A-” (or its equivalent) or higher by S&P (or any Substitute Rating Agency), or one of those ratings if only rated by one Rating Agency, in each case with a stable or positive outlook.

SECTION 1.3 Relationship with Indenture.

The terms and provisions contained in the Indenture will constitute, and are hereby expressly made, a part of this Supplemental Indenture. However, to the extent any provision of the Indenture conflicts with the express provisions of this Supplemental Indenture, the provisions of this Supplemental Indenture will govern and be controlling.

1. *Indenture.* This Note is one of a duly authorized issue of Securities of the Company designated as its “3.500% Senior Notes due 2022” (herein called the “Notes”), issued under an Indenture, dated as of November 20, 2007, as supplemented by that certain Tenth Supplemental Indenture, dated as of September 25, 2012 (the “Supplemental Indenture” and herein with the Indenture, collectively, the “Indenture”), among the Company, the Guarantors and U.S. Bank National Association, as Trustee (herein called the “Trustee,” which term includes any successor trustee under the Indenture), to which Indenture and all indentures supplemental thereto reference is hereby made for a statement of the respective rights, limitations of rights, duties and immunities thereunder of the Company, the Guarantors, the Trustee and the Holders of the Notes and of the terms upon which the Notes are, and are to be, authenticated and delivered. The aggregate principal amount of Initial Notes Outstanding at any time may not exceed \$700,000,000 in aggregate principal amount, except for, or in lieu of, other Notes of the Series pursuant to Sections 304, 305, 306, 906 or 1107 of the Indenture and except for any Notes which, pursuant to Section 303 of the Indenture, are deemed never to have been authenticated and delivered. Additional Notes of the same series of Securities as the Notes may be issued in accordance with the provisions of Section 1.1(2) of the Supplemental Indenture.

All terms used in this Note which are defined in the Indenture shall have the meanings assigned to them in the Indenture. In the event of a conflict between this Note and the Indenture, the provisions of the Indenture shall govern.

2. *Interest Rate Adjustment.* The Note Interest Rate will be subject to adjustment from time to time if Moody’s (or, if applicable, any Substitute Rating Agency) or S&P (or, if applicable, any Substitute Rating Agency) downgrades (or subsequently upgrades) the debt rating assigned to the Notes, as set forth below.

If the ratings from Moody’s or S&P (or, in either case if applicable, any Substitute Rating Agency) with respect to the Notes (each, a “Rating Agency”, and collectively, the “Rating Agencies”) is decreased to a rating set forth in the immediately following table with respect to that Rating Agency, the Note Interest Rate will increase from 3.500% by the percentage set forth opposite that rating:

Rating Level	Rating Agency		Percentage
	Moody’s*	S&P*	
1	Ba1	BB+	0.25%
2	Ba2	BB	0.50%
3	Ba3	BB-	0.75%
4	B1 or below	B+ or below	1.00%

* Including the equivalent ratings of any Substitute Rating Agency

If at any time the Note Interest Rate has been adjusted upward as a result of a decrease in a rating by a Rating Agency and that Rating Agency subsequently increases its rating with

respect to the Notes to any of the threshold ratings set forth above, the Note Interest Rate will be decreased such that the interest rate per annum equals 3.500% plus the percentage set forth opposite the rating in effect immediately following the increase in the table above; provided that if Moody's or any Substitute Rating Agency subsequently increases its rating of the Notes to "Baa3" (or its equivalent if with respect to any Substitute Rating Agency) or higher and S&P or any Substitute Rating Agency subsequently increases its rating of the Notes to "BBB-" (or its equivalent if with respect to any Substitute Rating Agency) or higher, the Note Interest Rate will be decreased to 3.500%.

No adjustment in the Note Interest Rate shall be made solely as a result of a Rating Agency ceasing to provide a rating. If at any time less than two Rating Agencies provide a rating of the Notes, the Company will use its commercially reasonable efforts to obtain a rating of the Notes from another nationally recognized statistical rating organization, to the extent one exists, and if another nationally recognized statistical rating organization rates the Notes (such organization, as certified by a Board Resolution, a "Substitute Rating Agency"), for purposes of determining any increase or decrease in the Note Interest Rate pursuant to the table above (a) such Substitute Rating Agency will be substituted for the last Rating Agency to provide a rating for the Notes but which has since ceased to provide such rating, (b) the relative ratings scale used by such Substitute Rating Agency to assign ratings to senior unsecured debt will be determined in good faith by an independent investment banking institution of national standing appointed by the Company and, for purposes of determining the applicable ratings included in the table above with respect to such Substitute Rating Agency, such ratings shall be deemed to be the equivalent ratings used by Moody's and S&P in such table and (c) the Note Interest Rate will increase or decrease, as the case may be, such that the interest rate per annum equals 3.500% plus the appropriate percentage, if any, set forth opposite the rating from such Substitute Rating Agency in the table above (taking into account the provisions of clause (b) above). For so long as (i) only one Rating Agency provides a rating of the Notes, any increase or decrease in the Note Interest Rate necessitated by a reduction or increase in the rating by that Rating Agency shall be twice the applicable percentage set forth in the table above and (ii) no Rating Agency provides a rating of the Notes, the Note Interest Rate will increase to, or remain at, as the case may be, 5.500%.

Each adjustment required by any decrease or increase in a rating set forth above, whether occasioned by the action of Moody's, S&P or any Substitute Rating Agency, shall be made independent of (and in addition to) any and all other adjustments. In no event shall (1) the Note Interest Rate be reduced below 3.500% or (2) the Note Interest Rate exceed 5.500%.

Any interest rate increase or decrease described above will take effect on the next Business Day after the rating change has occurred.

The Note Interest Rate will permanently cease to be subject to any adjustment described above (notwithstanding any subsequent decrease in the ratings by any Rating Agency) if the Notes become rated "A3" (or its equivalent) or higher by Moody's (or any Substitute Rating Agency) and "A-" (or its equivalent) or higher by S&P (or any Substitute Rating Agency), or one of those ratings if only rated by one Rating Agency, in each case with a stable or positive outlook.

3. *Optional Redemption.* At any time prior to July 1, 2022, the Company may at its option redeem all or a part of the Notes upon not more than 60 nor less than 30 days prior notice, at a redemption price equal to the greater of: (i) 100% of the aggregate principal amount of any Notes being redeemed; or (ii) the sum of the present values of the remaining scheduled payments of principal of and interest on the Notes to be redeemed (exclusive of unpaid interest accrued thereon to the Redemption Date) discounted to the Redemption Date on a semi-annual basis (assuming a 360-day year of twelve 30 day months) at the Treasury Rate plus 30 basis points, plus, in each case, accrued and unpaid interest on the Notes being redeemed to, but not including, the Redemption Date. At any time on or after July 1, 2022, the Company may at its option redeem all or a part of the Notes upon not more than 60 nor less than 30 days prior notice, at a redemption price equal to 100% of the aggregate principal amount of the Notes being redeemed, plus accrued and unpaid interest on the Notes being redeemed to, but not including, the Redemption Date.

4. *Mandatory Redemption.* Except as provided in Sections 5 below, the Company is not required to make mandatory redemption or sinking fund payments with respect to the Notes.

5. *Change of Control Triggering Event.* In the event of a Change of Control Triggering Event, the Holders may require the Company to purchase for cash all or a portion of their Notes at a purchase price equal to 101% of the principal amount of the Notes, plus accrued and unpaid interest, if any, pursuant to the provisions of Section 6.3 of the Supplemental Indenture, upon providing to the Company or any Paying Agent the completed Purchase Notice in the form on the reverse hereof or otherwise in accordance with the Applicable Procedures of the Depositary.

6. *Global Security.* If this Note is a Global Security, then, in the event of a deposit or withdrawal of an interest in this Note, including an exchange, transfer, redemption, repurchase or conversion of this Note in part only, the Trustee, as custodian of the Depositary, shall make an adjustment on its records to reflect such deposit or withdrawal in accordance with the Applicable Procedures.

7. *Defaults and Remedies.* If an Event of Default shall occur and be continuing, the principal of all the Notes, together with accrued interest to the date of declaration, may be declared due and payable, or in certain circumstances, shall automatically become due and payable, in the manner and with the effect provided in the Supplemental Indenture.

As provided in and subject to the provisions of the Indenture, the Holder of this Note shall not have the right to institute any proceeding with respect to the Indenture or for the appointment of a receiver or trustee or for any other remedy thereunder, unless such Holder shall have previously given the Trustee written notice of a continuing Event of Default, and, among other things, the Holders of not less than 25% in aggregate principal amount of the Outstanding Notes shall have made written request to the Trustee to institute proceedings in respect of such Event of Default as Trustee. The foregoing shall not apply to any suit instituted by the Holder of this Note for the enforcement of any payment of principal hereof or premium, if any, or interest hereon, on or after the respective due dates expressed herein.

8. *Amendment, Supplement and Waiver.* The Indenture permits, with certain exceptions as therein provided, the amendment thereof and the modification of the rights and obligations of

the Company and the rights of the Holders of the Notes under the Indenture at any time by the Company and the Trustee with the written consent of the Holders of at least a majority in aggregate principal amount of the Outstanding Notes. The Indenture also contains provisions permitting the Holders of at least a majority in aggregate principal amount of the Outstanding Notes, on behalf of the Holders of all the Notes, to waive compliance by the Company with certain provisions of the Indenture and certain past defaults under the Indenture and their consequences. Any such consent or waiver by the Holder of this Note shall be conclusive and binding upon such Holder and upon all future Holders of this Note and of any Note issued upon the registration of transfer hereof or in exchange herefor or in lieu hereof whether or not notation of such consent or waiver is made upon this Note or such other Note. Certain modifications or amendments to the Indenture require the consent of the Holder of each Outstanding Note affected.

No reference herein to the Indenture and no provision of this Note or of the Indenture shall alter or impair (without the consent of the Holder hereof) the obligation of the Company, which is absolute and unconditional, to pay the principal of and interest on this Note at the times, places and rate, and in the coin or currency, herein prescribed.

9. *Registration and Transfer.* As provided in the Indenture and subject to certain limitations therein set forth, the transfer of this Note is registrable on the Security Register upon surrender of this Note for registration of transfer at such office or agency of the Company as may be designated by it for such purpose in The City of St. Paul, Minnesota, or at such other offices or agencies as the Company may designate, duly endorsed by, or accompanied by a written instrument of transfer in form satisfactory to the Company and the Registrar duly executed by, the Holder thereof or his attorney duly authorized in writing, and thereupon one or more new Notes, of authorized denominations and for the same aggregate principal amount, will be issued to the designated transferee or transferees by the Registrar. As provided in the Indenture and subject to certain limitations therein set forth, Notes are exchangeable for a like aggregate principal amount of Notes of any authorized denominations as requested by the Holder surrendering the same upon surrender of the Note or Notes to be exchanged, at such office or agency of the Company. The Trustee upon such surrender by the Holder will issue the new Notes in the requested denominations. No service charge shall be made for any such registration of transfer or exchange, but the Company may require payment of a sum sufficient to cover any tax or other governmental charge payable in connection therewith.

Prior to due presentment of this Note for registration of transfer, the Company, the Trustee, any Paying Agent and any agent of the Company, the Trustee or any Paying Agent may treat the Person in whose name such Note is registered as the owner thereof for all purposes, whether or not such Note be overdue, and neither the Company, the Trustee nor any Paying Agent or other such agent shall be affected by notice to the contrary.

10. *Guarantee.* Payment of this Note is fully and unconditionally guaranteed by the Guarantors that have become and continue to be Guarantors pursuant to the Indenture. Guarantors may be released from their obligations under the Indenture and their Guarantees under the circumstances specified under the Indenture.

(4) default in the performance, or breach, of any covenant, agreement or warranty of the Company in this Supplemental Indenture or the Indenture as supplemented or amended or the Notes and continuance of such default for a period of 60 days after there has been given, by registered or certified mail, to the Company by the Trustee or to the Company and the Trustee by the Holders of at least 25% in principal amount of the Outstanding Notes a written notice specifying such default and requiring it to be remedied and stating that such notice is a “Notice of Default” hereunder;

(5) the cessation of a Guarantee of the Notes to be in full force and effect, other than in accordance with the terms of the Indenture or this Supplemental Indenture, or the denial by a Guarantor of its liability under its Guarantee;

(6) the entry by a court having jurisdiction in the premises of (A) a decree or order for relief in respect of the Company or any Significant Subsidiary of the Company in an involuntary case or proceeding under any applicable Federal or State bankruptcy, insolvency, reorganization or other similar law or (B) a decree or order adjudging the Company or any Significant Subsidiary of the Company a bankrupt or insolvent, or approving as properly filed a petition seeking reorganization, arrangement, adjustment or composition of or in respect of the Company or any Significant Subsidiary of the Company under any applicable Federal or State law, or appointing a custodian, receiver, liquidator, assignee, trustee, sequestrator or other similar official of the Company or any Significant Subsidiary of the Company or of any substantial part of its property, or ordering the winding up or liquidation of its affairs, and the continuance of any such decree or order for relief or any such other decree or order unstayed and in effect for a period of 60 consecutive days; or

SECTION 4.2 Acceleration of Maturity; Rescission and Annulment.

The second paragraph of Section 502 of the Indenture shall not be applicable to the Notes.

(1) The first paragraph of Section 502 of the Indenture shall, with respect to the Notes, be replaced in its entirety with the following:

“If an Event of Default, other than an Event of Default specified in Section 4.1(6) or Section 4.1(7) of this Supplemental Indenture, with respect to the Notes Outstanding occurs and is continuing, then either the Trustee, by notice to the Company, or the Holders of not less than 25% in principal amount of the Outstanding Notes, by notice to the Trustee and the Company, may declare the principal of, and premium, if any, and accrued and unpaid interest on, all of the Notes to be due and payable immediately. If an Event of Default specified in Section 4.1(6) or Section 4.1(7) of this Supplemental Indenture occurs, the principal amount of, and premium, if

any, and accrued and unpaid interest on, all the Notes shall automatically become immediately due and payable without any declaration or act by the Trustee, the Holders of the Notes or any other party.”

ARTICLE V REDEMPTION OF SECURITIES

SECTION 5.1 Optional Redemption.

(1) The provisions of Article Eleven of the Indenture shall be applicable to the Notes, subject to the provisions of this Article V.

(2) The Company may, at its option, redeem the Notes, in whole or from time to time in part, at any time prior to July 1, 2022, at a Redemption Price equal to the greater of (i) 100% of the aggregate principal amount of Notes to be redeemed or (ii) the sum of the present values of the remaining scheduled payments of principal of and interest on the Notes to be redeemed (exclusive of unpaid interest accrued thereon to the Redemption Date) discounted to the Redemption Date on a semi-annual basis (assuming a 360-day year of twelve 30-day months) at the Treasury Rate plus 30 basis points, plus, in each case, accrued and unpaid interest on the Notes being redeemed to, but not including, the Redemption Date.

(3) The Company may, at its option, redeem the Notes, in whole or from time to time in part, at any time on or after July 1, 2022, at a Redemption Price equal to 100% of the aggregate principal amount of the Notes being redeemed, plus accrued and unpaid interest on the Notes being redeemed to, but not including, the Redemption Date.

SECTION 5.2 Optional Redemption Procedures.

(1) The election of the Company to redeem any Notes shall be evidenced by a Board Resolution. In case of any redemption at the election of the Company of less than all the Notes, the Company shall, at least 45 days prior to the Redemption Date fixed by the Company (unless a shorter notice shall be acceptable to the Trustee), notify the Trustee of such Redemption Date and the principal amount of the Notes to be redeemed.

(2) If less than all the Notes are to be redeemed pursuant to Section 5.1, the particular Notes to be redeemed shall be selected, not more than 90 days prior to the Redemption Date, by the Trustee from among the Outstanding Notes not previously called for redemption, by such method as the Trustee shall deem fair and appropriate and which may provide for the selection for redemption of portions (equal to the minimum authorized denomination for the Notes or any integral multiple thereof) of the principal amount of the Notes of a denomination larger than the minimum authorized denomination for the Notes.

The Trustee shall promptly notify the Company in writing of the Notes selected for redemption and, in the case of any Notes selected for partial redemption, the principal amount thereof to be redeemed.

For all purposes of this Supplemental Indenture, unless the context otherwise requires, all provisions relating to the redemption of Notes shall relate, in the case of any Notes redeemed or to be redeemed only in part, to the portion of the principal amount of such Notes which has been or is to be redeemed.

(3) Notice of redemption pursuant to this Section 5.2 shall be given by first-class mail, postage prepaid, mailed not less than 30 nor more than 60 days prior to the Redemption Date, to each Holder of Notes to be redeemed at such Holder's address as shown in the Security Register for the affected Notes. Failure to give notice by mailing in the manner herein provided to the Holder of any Notes designated for redemption as a whole or in part, or any defect in the notice to any such Holder, shall not affect the validity of the proceedings for the redemption of any other Notes or portion thereof.

All notices of redemption shall state:

(i) the Redemption Date;

(ii) the Redemption Price;

(iii) the aggregate principal amount of the Notes to be redeemed;

(iv) if less than all of the Outstanding Notes are to be redeemed, the identification (and, in the case of partial redemption, the portions of the principal amounts) of the particular Notes to be redeemed;

(v) that on the Redemption Date the Redemption Price will become due and payable upon each such Note to be redeemed and that interest thereon will cease to accrue on and after said date;

(vi) the place or places where such Notes are to be surrendered for payment of the Redemption Price;

(vii) the CUSIP numbers of such Notes, if any (or any other numbers used by the Depository to identify such Notes); and

(viii) that, unless the Company defaults in paying the Redemption Price, interest will cease to accrue on the Notes called for redemption on the Redemption Date.

Notice of redemption of Notes to be redeemed shall be given by the Company or, on Company Request, by the Trustee at the expense of the Company.

(4) On or before any Redemption Date, the Company shall deposit with the Trustee or with a Paying Agent (or, if the Company is acting as its own Paying Agent, segregate and hold in trust as provided in Section 1003 of the Indenture) an amount of money sufficient to pay the Redemption Price of all the Notes which are to be redeemed on that date.

(5) Notice of redemption having been given as aforesaid, the Notes so to be redeemed shall, on the Redemption Date, become due and payable at the Redemption Price therein specified, and from and after such date (unless the Company shall default in the payment of the Redemption Price) such Notes shall cease to bear interest. Upon surrender of any such Note for redemption in accordance with said notice, such Note shall be paid by the Company at the

Redemption Price; provided, however, that installments of interest whose Stated Maturity is prior to the Redemption Date shall be payable to the Holders of such Notes registered as such at the close of business on the relevant Regular Record Dates according to their terms.

If any Note called for redemption shall not be so paid upon surrender thereof for redemption, the principal thereof shall, until paid, bear interest from the Redemption Date at the rate borne by the Note.

(6) Any Note which is to be redeemed only in part shall be surrendered at an office or agency in accordance with the notice of redemption (with, if the Company or the Trustee shall so require, due endorsement by, or a written instrument of transfer in form satisfactory to the Company and the Trustee duly executed by, the Holder thereof or other appropriate person), and the Company shall execute, and the Trustee shall authenticate and deliver to the Holder of such Note, without service charge, a new Note or Notes of any authorized denominations as requested by such Holder, in aggregate principal amount equal to and in exchange for the unredeemed portion of the principal of the Note so surrendered.

ARTICLE VI PARTICULAR COVENANTS

SECTION 6.1 Liens.

The Company will not, and will not permit any of its Restricted Subsidiaries to, create or assume, except in the Company's favor or in favor of one or more of its Wholly-Owned Subsidiaries, any Lien against or on any Property now owned or hereafter acquired by the Company or any Restricted Subsidiary unless the outstanding Notes are secured equally and ratably with (or prior to) the obligations so secured by such Lien, except that the foregoing restriction does not apply to any one or more of the following types of Liens:

(1) Liens in connection with workers' compensation, unemployment insurance or other social security obligations (which phrase shall not be construed to refer to ERISA or the minimum funding obligations under Section 412 of the Code);

(2) Liens to secure the performance of bids, tenders, letters of credit, contracts (other than contracts for the payment of Indebtedness), leases, statutory obligations, surety, customs, appeal, performance and payment bonds and other obligations of like nature, in each such case arising in the ordinary course of business;

(3) mechanics', workmen's, carriers', warehousemen's, materialmen's, landlords', or other like Liens arising in the ordinary course of business with respect to obligations which are not due or which are being contested in good faith and by appropriate action;

(5) Liens consisting of attachments, judgments or awards against the Company or any Subsidiary with respect to which an appeal or proceeding for review shall be pending or a stay of execution shall have been obtained, or which are otherwise being contested in good faith and by appropriate action, and in respect of which adequate reserves shall have been established in accordance with GAAP on the books of the Company or any Subsidiary;

(6) easements, rights of way, restrictions, leases of Property to others, easements for installations of public utilities, title imperfections and restrictions, zoning ordinances and other similar encumbrances affecting Property which in the aggregate do not materially adversely affect the value of such Property or materially impair its use for the operations of the business of the Company or any Subsidiary;

(7) Liens existing on the date of the Supplemental Indenture and securing Indebtedness or other obligations of the Company or any Subsidiary;

(8) statutory Liens in favor of lessors arising in connection with Property leased to the Company or any Subsidiary;

(9) Liens on Margin Stock to the extent that a prohibition on such Liens pursuant to this Section 6.1 would violate Regulation U of the Board of Governors of the Federal Reserve System of the United States of America, as the same may be amended or supplemented from time to time;

(10) purchase money Liens on Property hereafter acquired by the Company or any Subsidiary created within 180 days of such acquisition (or in the case of real property, completion of construction including any improvements or the commencement of operation of the Property, whichever occurs later) to secure or provide for the payment or financing of all or any part of the purchase price thereof, provided that the Lien secured thereby shall attach only to the Property so acquired and related assets (except that individual financings by one Person (or an Affiliate thereof) may be cross-collateralized to other financings provided by such Person and its Affiliates that are permitted by this clause (10));

(11) Liens in respect of capital leases and Permitted Sale-Leaseback Transactions;

(12) Liens on the Property of a Person that becomes a Subsidiary after the date hereof, provided that (i) such Liens existed at the time such Person becomes a Subsidiary and were not created in anticipation thereof, (ii) any such Lien does not by its terms cover any Property after the time such Person becomes a Subsidiary that was not covered immediately prior thereto and (iii) any such Lien does not by its terms secure any Indebtedness other than Indebtedness existing immediately prior to the time such Person becomes a Subsidiary;

(13) Liens on Property and proceeds thereof existing at the time of acquisition thereof and not created in contemplation thereof;

(14) Liens (i) of a collection bank arising under Section 4-208 of the Uniform Commercial Code on the items in the course of collection, and (ii) in favor of a banking institution arising as a matter of law encumbering deposits (including the right of set off) and which are within the general parameters customary in the banking industry;

(15) Liens securing Securitised Indebtedness in an aggregate principal amount not in excess of \$200,000,000 at any one time outstanding upon the granting of such Liens;

(16) any extension, renewal, refinancing, substitution or replacement (or successive extensions, renewals, refinancings, substitutions or replacements), as a whole or in part, of any of the Liens referred to in paragraphs (7), (10), (12) and (13) of this Section, provided that such extension, renewal, refinancing substitution or replacement Lien shall be limited to all or any part of substantially the same property or assets that secured the Lien extended, renewed, refinanced, substituted or replaced (plus improvements on such Property) and the liability secured by such Lien at such time is not increased;

(17) Liens on proceeds of any of the assets permitted to be the subject of any Lien or assignment permitted by this Section 6.1, and

(18) other Liens, provided that, without duplication, the aggregate sum of all obligations and Indebtedness secured by Liens permitted under this clause (18), together with sale-leaseback transactions of the type and in the amounts described in the proviso of the definition of Permitted Sale-Leaseback Transactions, would not exceed 10% of Net Worth, measured upon granting of such Liens based on the Company's consolidated balance sheet for the end of the most recent quarter for which financial statements are available.

SECTION 6.2 Sale and Lease-Back Transactions.

The Company will not, and will not permit any of its Restricted Subsidiaries to engage in sale and leaseback transactions except for Permitted Sale-Leaseback Transactions.

SECTION 6.3 Right to Require Repurchase Upon a Change of Control Triggering Event.

(1) Upon the occurrence of any Change of Control Triggering Event, each Holder of Notes shall have the right to require the Company to repurchase all or any part of such Holder's Notes pursuant to the offer described below (the "Change of Control Offer") on the terms set forth herein (provided that with respect to the Notes submitted for repurchase in part, the remaining portion of such Notes is in a principal amount of \$2,000 or an integral multiple of \$1,000 in excess thereof) at a purchase price in cash equal to 101% of the aggregate principal amount of the Notes repurchased plus accrued and unpaid interest, if any, on the Notes repurchased, to the date of purchase (the "Change of Control Payment").

(2) Within 30 days following any Change of Control Triggering Event, the Company shall mail a notice to Holders of Notes, with a written copy to the Trustee, which notice shall govern the terms of the Change of Control Offer. Such notice shall state:

(i) a description of the transaction or transactions that constitute the Change of Control Triggering Event;

(ii) that the Change of Control Offer is being made pursuant to this Section 6.3 and that all Notes validly tendered will be accepted for payment;

(iii) the Change of Control Payment and the “Change of Control Payment Date,” which date shall be a Business Day that is no earlier than 30 days and no later than 60 days from the date such notice is mailed, other than as may be required by law; and

(iv) if the notice is mailed prior to the date of the consummation of the Change of Control, the notice will state that the Change of Control Offer is conditioned on the Change of Control Triggering Event occurring on or prior to the Change of Control Payment Date.

(3) On the Change of Control Payment Date, the Company shall be required, to the extent lawful, to:

(i) accept for payment all Notes or portions of Notes properly tendered pursuant to the Change of Control Offer;

(ii) deposit with the Paying Agent an amount equal to the Change of Control Payment in respect of all Notes or portions of Notes properly tendered; and

(iii) deliver or cause to be delivered to the Trustee the Notes properly accepted together with an Officers’ Certificate stating the aggregate principal amount of Notes or portions of Notes being purchased.

The Paying Agent will promptly mail to each Holder of Notes properly tendered the Change of Control Payment for such Notes (or with respect to Global Notes otherwise make such payment in accordance with the Applicable procedures of the Depository), and the Trustee will promptly authenticate and mail (or cause to be transferred by book-entry) to each Holder of Notes properly tendered a new Note equal in principal amount to any unpurchased portion of any Notes surrendered; *provided* that each new Note will be in a principal amount of \$2,000 or an integral multiple of \$1,000 in excess thereof.

(4) The Company shall comply with the requirements of Rule 14e-1 under the Exchange Act and any other securities laws and regulations thereunder to the extent those laws and regulations are applicable in connection with the repurchase of Notes as a result of a Change of Control Triggering Event. To the extent that the provisions of any securities laws or regulations conflict with this Section 6.3, the Company will comply with the applicable securities laws and regulations and will not be deemed to have breached its obligations under this Section 6.3 by virtue of such conflicts.

(5) Notwithstanding the foregoing, the Company will not be required to make an offer to repurchase the Notes upon a Change of Control Triggering Event if (i) a third party makes such an offer in the manner, at the times and otherwise in compliance with the requirements for an offer made by the Company and such third party purchases all the Notes properly tendered and not withdrawn under its offer or (ii) prior to the occurrence of the related Change of Control Triggering Event, the Company has given written notice of a redemption as provided under Section 5.1 unless the Company has failed to pay the Redemption Price on the Redemption Date.

SECTION 6.4 Additional Guarantors.

If, after the date of the Supplemental Indenture, any Subsidiary of the Company that is not then a Guarantor guarantees, becomes a borrower or guarantor under, or grants any Lien to secure any obligations pursuant to, the Revolving Credit Facility, the Term Loan Facility, any refinancing or replacement thereof or any other indebtedness for borrowed money (including capital leases) having an aggregate principal amount outstanding in excess of 10% of the Company's Net Worth as of the end of the Company's most recent quarter for which financial statements are available (such Net Worth to be measured at the time of the incurrence of each such guarantee or borrowing or the granting of such Lien), then in any such case such Subsidiary will become a Guarantor by executing a supplemental indenture and delivering it to the Trustee within twenty Business Days of the date on which it guaranteed or incurred such indebtedness or granted such Lien, as the case may be. Notwithstanding the preceding, any Guarantee by a Guarantor that was issued pursuant to this paragraph solely as a result of its guarantee or incurrence of, or granting of a Lien in respect of, any such indebtedness shall be automatically and unconditionally released upon the release or discharge of the guarantee that resulted in the creation of such Subsidiary's Guarantee (or upon such Subsidiary ceasing to be a borrower or the release of Liens granted by such Subsidiary, as the case may be), except a discharge or release as a result of payment under such guarantee, or of the refinancing or replacement of any such indebtedness that is guaranteed or incurred by such Guarantor. Notwithstanding the foregoing, no SPE shall guarantee the Notes and no Foreign Subsidiary shall be required to guarantee the Notes unless it becomes a guarantor of the Company's obligations under, or grants any Lien to secure any of the Company's obligations pursuant to, such Revolving Credit Facility or Term Loan Facility, or any refinancing or replacement thereof or any of the Company's other indebtedness for borrowed money having an aggregate principal amount outstanding in excess of 10% of the Company's Net Worth as of the end of the Company's most recent quarter for which financial statements are available (such Net Worth to be measured at the time of the incurrence of each such guarantee or the granting of such Lien).

**ARTICLE VII
SUPPLEMENTAL INDENTURES**

SECTION 7.1 Supplemental Indentures without Consent of Holders of Notes.

Section 901 of the Indenture shall, with respect to the Notes, be replaced in its entirety with the following:

"Without the consent of any Holders of the Notes, the Company and the Guarantors, when authorized by a Board Resolution, together with the Trustee, at any time and from time to time, may modify and amend the Indenture, this Supplemental Indenture and the terms of the Notes to:

(3) add any additional Events of Default;

(4) secure the Notes;

(5) provide for a successor Trustee with respect to the Notes and add or change any of the provisions of the Indenture or the Supplemental Indenture as shall be necessary to provide for or facilitate the administration of the trusts thereunder by more than one Trustee, pursuant to the requirements of Section 611 of the Indenture;

(6) add or release a Guarantor as required or permitted by this Supplemental Indenture or the Indenture;

(7) cure any ambiguity, defect or inconsistency; or

(8) make any other amendment or supplement to this Supplemental Indenture, the Indenture or the Notes, as long as that amendment or supplement does not adversely affect the interests of the Holders of any Notes in any material respect (to be evidenced by an Opinion of Counsel).

No amendment to this Supplemental Indenture, the Indenture or the Notes made solely to conform this Supplemental Indenture, the Indenture or the Notes to the Description of the Notes and Description of Debt Securities contained in the Company's prospectus supplement dated September 18, 2012 and prospectus dated September 14, 2010 relating to the Notes, shall be deemed to adversely affect the interests of the Holders of the Notes."

SECTION 7.2 Supplemental Indentures with Consent of Holders of Notes.

The first paragraph, including clauses (1) through (5) thereof, of Section 902 of the Indenture shall, with respect to the Notes, be replaced with the following:

"With the consent of the Holders of a majority in principal amount of the Outstanding Notes affected by such supplemental indenture, by Act of said Holders delivered to the Company and the Trustee, the Company, when authorized by a Board Resolution, the Guarantors and the Trustee may enter into an indenture or indentures supplemental hereto for purpose adding any provisions to or changing in any manner or eliminating any of the provisions of the Indenture, the Supplemental Indenture or the Notes or of modifying in any manner the rights of the Holders of the Notes; provided, however, that no such supplemental indenture shall, without the consent of the Holder of each Outstanding Note affected thereby:

(2) change the Stated Maturity of the principal of, or any installment of interest on, any Note;

(3) reduce the principal of, or rate of interest on, any Note;

(7) release any Guarantor from any of its obligations under its Guarantee, the Indenture or this Supplemental Indenture other than in accordance with the terms of the Indenture or this Supplemental Indenture; or

(8) reduce the percentage in principal amount of Outstanding Notes the consent of whose Holders is required for modification or amendment of the Indenture or this Supplemental Indenture or for waiver of compliance with provisions of the Indenture or this Supplemental Indenture or waiver of defaults, in each case, with respect to or in respect of provisions hereof and thereof that cannot be modified or waived without the consent of the Holder of each Outstanding Note affected thereby.”

The second paragraph of Section 902 of the Indenture shall, with respect to the Notes, add the following as the last sentence thereto:

“In addition, the Holders of at least a majority in aggregate principal amount of the Outstanding Notes may, on behalf of the Holders of all Notes waive compliance with the Company’s covenants described under Sections 6.1 and 6.2 of this Supplemental Indenture.”

ARTICLE VIII CONSOLIDATION, MERGER, CONVEYANCE, TRANSFER OR LEASE

SECTION 8.1 Company May Consolidate, Etc. on Certain Terms.

Section 801 of the Indenture shall, with respect to the Notes be replaced with the following:

“The Company shall not in a single transaction or a series of related transactions, consolidate or merge with or into any other Person, permit any other Person to consolidate with or merge into the Company or convey, transfer or lease all or substantially all of its properties and assets to any other Person, unless:

(1) the Company is the surviving entity or, the Person formed by such consolidation or merger (if other than the Company) or the Person to which all or substantially all of the properties and assets of the Company are conveyed, transferred or leased, as the case may be, shall be an entity organized and existing under the laws of the United States of America, any state thereof or the District of Columbia and shall expressly assume, by a supplemental indenture executed and delivered to the Trustee, in form satisfactory to the Trustee, the due and

punctual payment of the principal of and any premium and interest on the Outstanding Notes and the performance and observance of every covenant of this Supplemental Indenture and the Indenture on the part of the Company to be performed or observed;

(2) immediately after giving effect to any such transaction and treating any Indebtedness that becomes an obligation of the Company or any Subsidiary of the Company as a result of such transaction as having been incurred by the Company or any Subsidiary of the Company at the time of such transaction, there shall not be any Event of Default or event which, after notice or lapse of time or both, would become an Event of Default;

(3) if, as a result of any such transaction, the properties or assets of the Company would become subject to a Lien which would not be permitted under Section 6.1 of this Supplemental Indenture, the Company or such successor Person, as the case may be, shall take those steps that are necessary to secure all the Outstanding Notes equally and ratably with Indebtedness secured by that Lien; and

(4) the Company shall have delivered to the Trustee an Officers' Certificate and an Opinion of Counsel, each stating that all conditions precedent to the consummation of the particular consolidation, merger, conveyance, transfer or lease under this Supplemental Indenture and the Indenture have been complied with."

SECTION 8.2 Successor Corporation Substituted.

Section 802 shall, with respect to the Notes, be replaced with the following:

"Upon any consolidation or merger by the Company with or into any other Person or any conveyance, transfer or lease of all or substantially all of the properties and assets of the Company to any other Person in accordance with Section 8.1, the successor Person formed by such consolidation or merger or to which such conveyance, transfer or lease is made shall succeed to, and be substituted for, and may exercise every right and power of, the Company under this Supplemental Indenture and the Indenture with the same effect as if such successor Person has been named as the Company herein, and thereafter, except in the case of a lease to another Person, the predecessor Person shall be relieved of all obligations and covenants under the Indenture, this Supplemental Indenture and the Notes (to the extent the Company was the predecessor Person)."

ARTICLE IX GUARANTORS

Article 15 of the Indenture shall not be applicable to the Notes.

SECTION 9.1 Guarantee.

(1) For value received, each of the Guarantors hereby jointly and severally, fully, unconditionally and absolutely guarantees (each a "Guarantee") to each Holder of a Note authenticated and delivered by the Trustee and to the Trustee and its successors and assigns, irrespective of the validity and enforceability of this Supplemental Indenture, the Indenture or the

Notes or the obligations of the Company or any other Guarantor to the Holders or the Trustee hereunder or thereunder, that (a) the principal of, premium, if any, and interest on the Notes will be duly and punctually paid in full when due, whether at maturity, upon redemption, by acceleration or otherwise, and interest on the overdue principal and (to the extent permitted by law) interest, if any, on the Notes and all other obligations of the Company or the Guarantor to the Holders of or the Trustee under this Supplemental Indenture, the Indenture or the Notes hereunder (including fees, expenses or others) (collectively, the "Obligations") will be promptly paid in full or performed, all in accordance with the terms of this Supplemental Indenture, the Indenture and the Notes; and (b) in case of any extension of time of payment or renewal of any Obligations, the same will be promptly paid in full when due or performed in accordance with the terms of the extension or renewal, whether at Stated Maturity, by acceleration or otherwise. If the Company shall fail to pay when due, or to perform, any Obligations, for whatever reason, each Guarantor shall be obligated to pay, or to perform or cause the performance of, the same promptly. An Event of Default under this Supplemental Indenture or the Notes shall entitle the Holders of the Notes to accelerate the Obligations of the Guarantor hereunder in the same manner and to the same extent as the Obligations of the Company.

(2) Each Guarantor hereby agrees that its obligations hereunder shall be unconditional, irrespective of the validity, regularity or enforceability of the Notes, this Supplemental Indenture or the Indenture, the absence of any action to enforce the same, any waiver or consent by any Holder of the Notes with respect to any provisions of this Supplemental Indenture, the Indenture or the Notes, any release of any other Guarantor, the recovery of any judgment against the Company, any action to enforce the same, whether or not a Guarantee is affixed to any particular Note, or any other circumstance which might otherwise constitute a legal or equitable discharge or defense of a Guarantor.

(3) Each Guarantor further agrees that, as between it, on the one hand, and the Holders of the Notes and the Trustee, on the other hand, (a) the maturity of the Obligations may be accelerated as provided in Section 502 of the Indenture and Article IV of this Supplemental Indenture for the purposes of the Guarantee, notwithstanding any stay, injunction or other prohibition preventing such acceleration in respect of the Obligations, and (b) in the event of any acceleration of such Obligations as provided in Section 502 of the Indenture and Article IV of this Supplemental Indenture, such Obligations (whether or not due and payable) shall forthwith become due and payable by the Guarantor for the purposes of its Guarantee.

SECTION 9.2 Waiver of Demand.

To the fullest extent permitted by applicable law, each of the Guarantors waives presentment to, demand of payment from and protest of any of the Obligations, and also waives notice of acceptance of its Guarantee and notice of protest for nonpayment.

SECTION 9.3 Guarantee of Payment.

Each of the Guarantors further agrees that its Guarantee constitutes a guarantee of payment when due and not of collection, and waives any right to require that any resort be had by the Trustee or any Holder of the Notes to the security, if any, held for payment of the Obligations.

SECTION 9.4 No Discharge or Diminishment of Guarantee.

Subject to Section 9.10 of this Supplemental Indenture, the obligations of each of the Guarantors hereunder shall not be subject to any reduction, limitation, impairment or discharge for any reason (other than the payment in full in cash of the Obligations), including any claim of waiver, release, surrender, alteration or compromise of any of the Obligations, and shall not be subject to any defense or setoff, counterclaim, recoupment or termination whatsoever by reason of the invalidity, illegality or unenforceability of the Obligations or otherwise. Without limiting the generality of the foregoing, the obligations of each of the Guarantors hereunder shall not be discharged or impaired or otherwise affected by the failure of the Trustee or any Holder of the Notes to assert any claim or demand or to enforce any remedy under this Supplemental Indenture, the Indenture or the Notes, any other guarantee or any other agreement, by any waiver or modification of any provision thereof, by any default, failure or delay, willful or otherwise, in the performance of the Obligations, or by any other act or omission that may or might in any manner or to any extent vary the risk of any Guarantor or that would otherwise operate as a discharge of any Guarantor as a matter of law or equity (other than the payment in full in cash of all the Obligations).

SECTION 9.5 Defenses of Company Waived.

To the extent permitted by applicable law, each of the Guarantors waives any defense based on or arising out of any defense of the Company or any other Guarantor or the unenforceability of the Obligations or any part thereof from any cause, or the cessation from any cause of the liability of the Company, other than final payment in full in cash of the Obligations. Each of the Guarantors waives any defense arising out of any such election even though such election operates to impair or to extinguish any right of reimbursement or subrogation or other right or remedy of each of the Guarantors against the Company or any security.

SECTION 9.6 Continued Effectiveness.

Subject to Section 9.10 of this Supplemental Indenture, each of the Guarantors further agrees that its Guarantee hereunder shall continue to be effective or be reinstated, as the case may be, if at any time payment, or any part thereof, of principal of or interest on any Obligation is rescinded or must otherwise be restored by the Trustee or any Holder of the Notes upon the bankruptcy or reorganization of the Company.

SECTION 9.7 Subrogation.

In furtherance of the foregoing and not in limitation of any other right of each of the Guarantors by virtue hereof, upon the failure of the Company to pay any Obligation when and as the same shall become due, whether at maturity, by acceleration, after notice of prepayment or otherwise, each of the Guarantors hereby promises to and will, upon receipt of written demand by the Trustee or any Holder of the Notes, forthwith pay, or cause to be paid, to the Holders in cash the amount of such unpaid Obligations, and thereupon the Holders shall, assign (except to the extent that such assignment would render a Guarantor a "creditor" of the Company within the meaning of Section 547 of Title 11 of the United States Code as now in effect or hereafter amended or any comparable provision of any successor statute) the amount of the Obligations owed to it and paid by such Guarantor pursuant to this Guarantee to such Guarantor, such assignment to be pro rata to the extent the Obligations in question were discharged by such

Guarantor, or make such other disposition thereof as such Guarantor shall direct (all without recourse to the Holders, and without any representation or warranty by the Holders). If (a) a Guarantor shall make payment to the Holders of all or any part of the Obligations and (b) all the Obligations and all other amounts payable under this Supplemental Indenture shall be paid in full, the Trustee will, at such Guarantor's request, execute and deliver to such Guarantor appropriate documents, without recourse and without representation or warranty, necessary to evidence the transfer by subrogation to such Guarantor of an interest in the Obligations resulting from such payment by such Guarantor.

SECTION 9.8 Information.

Each of the Guarantors assumes all responsibility for being and keeping itself informed of the Company's financial condition and assets, and of all other circumstances bearing upon the risk of nonpayment of the Obligations and the nature, scope and extent of the risks that each of the Guarantors assumes and incurs hereunder, and agrees that the Trustee and the Holders of the Notes will have no duty to advise the Guarantors of information known to it or any of them regarding such circumstances or risks.

SECTION 9.9 Subordination.

Upon payment by any Guarantor of any sums to the Holders, as provided above, all rights of such Guarantor against the Company, arising as a result thereof by way of right of subrogation or otherwise, shall in all respects be subordinated and junior in right of payment to the prior payment in full in cash of all the Obligations to the Trustee; provided, however, that any right of subrogation that such Guarantor may have pursuant to this Supplemental Indenture is subject to Section 9.7 hereof.

SECTION 9.10 Termination.

(1) A Guarantor shall, upon the occurrence of any of the following events, be automatically and unconditionally released and discharged from all obligations under this Supplemental Indenture and its Guarantee without any action required on the part of the Trustee or any Holder, *provided* that such Guarantor would not, immediately after such release and discharge, be required to become a Guarantor pursuant to Section 6.4 hereof if such Guarantor had incurred its then-existing guarantees, indebtedness for borrowed money (including capital leases) and Liens at the time of such release and discharge:

(i) upon notice by the Company to the Trustee, at any time such Guarantor is not a borrower or guarantor under, and has not granted any then-existing Lien to secure any obligations pursuant to, the Revolving Credit Facility or the Term Loan Facility, any refinancing or replacement thereof, and all other indebtedness for borrowed money (including capital leases) having an aggregate principal amount outstanding in excess of 10% of the Company's Net Worth and is released or discharged from each guarantee and Lien granted by such Guarantor with respect to all such indebtedness (other than obligations arising under the Indenture and any Securities issued thereunder) except where resulting from a discharge or release as a result of payment under such guarantee; or

(ii) upon the occurrence of the circumstances described in the penultimate sentence of Section 6.4 hereof, of which the Company shall promptly notify the Trustee.

(2) A Guarantor shall be automatically and unconditionally released and discharged from all obligations under this Supplemental Indenture and its Guarantee without any action required on the part of the Trustee or any Holder upon any Covenant Defeasance or Defeasance with respect to the Notes, subject to reinstatement in the event of reinstatement pursuant to Section 1306 of the Indenture.

(3) The Trustee shall deliver an appropriate instrument evidencing such release upon receipt of a request of the Company accompanied by an Officers' Certificate certifying as to the compliance with this Section. Any Guarantor not so released will remain liable for the full amount of the principal of, premium, if any, and interest on the Notes provided in this Supplemental Indenture and its Guarantee.

SECTION 9.11 Limitation of Guarantor's Liability.

Each Guarantor, and by its acceptance hereof each Holder, hereby confirms that it is the intention of all such parties that the Guarantee by such Guarantor not constitute a fraudulent transfer or conveyance for purposes of Title 11 of the United States Code, the Uniform Fraudulent Conveyance Act, the Uniform Fraudulent Transfer Act or any similar federal or state law. To effectuate the foregoing intention, the Holders and such Guarantor hereby irrevocably agree that the obligations of such Guarantor under this Supplemental Indenture and its Guarantee shall be limited to the maximum amount which, after giving effect to all other contingent and fixed liabilities of such Guarantor, and after giving effect to any collections from or payments made by or on behalf of, any other Guarantor in respect of the obligations of such Guarantor under its Guarantee or pursuant to its contribution obligations under this Supplemental Indenture, will result in the obligations of such Guarantor under its Guarantee not constituting such fraudulent transfer or conveyance.

SECTION 9.12 Contribution from Other Guarantors.

Each Guarantor that makes a payment or distribution under its Guarantee shall be entitled to a contribution from each other Guarantor in a *pro rata* amount based on the net assets of each Guarantor, determined in accordance with generally accepted accounting principles in effect in the United States of America as of the date hereof.

SECTION 9.13 No Obligation to Take Action Against the Company.

Neither the Trustee, any Holder nor any other Person shall have any obligation to enforce or exhaust any rights or remedies or take any other steps under any security for the Obligations or against the Company or any other Person or any Property of the Company or any other Person before the Trustee, such Holder or such other Person is entitled to demand payment and performance by any or all Guarantors of their liabilities and obligations under their Guarantee.

SECTION 9.14 Execution and Delivery of the Guarantee.

(1) To further evidence the Guarantee set forth in this Article IX, each Guarantor hereby agrees that a notation of such Guarantee substantially in the form of Section 3.5 hereof shall be endorsed on each Note authenticated and delivered by the Trustee and executed by either manual or facsimile signature of an officer, manager or member, as applicable, of each Guarantor.

(2) Each of the Guarantors hereby agrees that its Guarantee set forth in this Article IX shall remain in full force and effect notwithstanding any failure to endorse on each Note a notation of such Guarantee.

(3) If an officer of a Guarantor whose signature is on this Supplemental Indenture or a Guarantee no longer holds that office or is no longer a manager or member, as applicable, at the time the Trustee authenticates such Guarantee or at any time thereafter, such Guarantor's Guarantee of such Note shall be valid nevertheless.

(4) The delivery of any Note by the Trustee, after the authentication thereof hereunder, shall constitute due delivery of any Guarantee set forth in this Supplemental Indenture on behalf of each Guarantor.

SECTION 9.15 Successor Guarantor.

Unless otherwise released and discharged from its obligations in accordance with this Supplemental Indenture, upon any consolidation or merger by any Guarantor with or into any other Person, the successor Person formed by such consolidation or merger shall sign a supplemental indenture and guarantee and succeed to, and be substituted for, and may exercise every right and power of, the Guarantor under this Supplemental Indenture and the Indenture with the same effect as if such successor Person has been named as a Guarantor herein, and thereafter the predecessor Person shall be relieved of all obligations and covenants under the Indenture, this Supplemental Indenture and the Notes (to the extent the Guarantor was the predecessor Person).

**ARTICLE X
DEFEASANCE**

SECTION 10.1 Covenant Defeasance.

The provisions of Article Thirteen of the Indenture shall be applicable to the Notes. For purposes of the foregoing, the phrase "and any covenants provided pursuant to Section 301(19)" appearing in the first sentence of Section 1303 of the Indenture, and words of like import appearing throughout the Indenture in furtherance of the application of the provisions of Article Thirteen of the Indenture to the Notes, shall be deemed to refer explicitly to the provisions of Articles VI (exclusive of Section 6.3 thereof to which the provisions of Article Thirteen of the Indenture shall not apply) and VIII of this Supplemental Indenture.

IN WITNESS WHEREOF, the parties hereto have caused this Supplemental Indenture to be duly executed all as of the day and year first above written.

Ladies and Gentlemen:

I am an Associate General Counsel of Fiserv, Inc., a Wisconsin corporation (the "Company"), and act as Nebraska counsel for the Company and for its subsidiaries, Information Technology, Inc., a Nebraska corporation, and ITI of Nebraska, Inc., a Nebraska corporation (together, the "Nebraska Guarantors"), and in such capacities I am providing this opinion to you in connection with a Registration Statement on Form S-3 (Registration No. 333-169358), as amended (the "Registration Statement"), including the prospectus constituting a part thereof, dated September 14, 2010, and the supplement to the prospectus, dated September 18, 2012 (collectively, the "Prospectus"), filed by the Company with the Securities and Exchange Commission under the Securities Act of 1933, as amended (the "Securities Act"), relating to the issuance and sale by the Company of \$700,000,000 aggregate principal amount of the Company's 3.500% Senior Notes due 2022 (the "Notes") in the manner set forth in the Registration Statement and the Prospectus.
