

## Fiserv Receives SWIFT Certified Application Label for Reconciliation Accreditation for the 16th Consecutive Year

October 12, 2015

- Accurate Reconciliation enables clients to achieve a seamless end-to-end reconciliation and certification process
- Fiserv understands the need to deliver solutions that make life easier for the people responsible for managing operations and finances within an organization

BROOKFIELD, Wis. & SINGAPORE--(BUSINESS WIRE)-- [Fiserv, Inc.](#) (NASDAQ: FISV), a leading global provider of financial services technology solutions, announced today that it has been awarded the 2015 SWIFT Certified Application label for its Accurate™ Reconciliation solution for transaction matching, reconciliation, exception management and certification.

The accreditation is re-evaluated on an annual basis to guarantee alignment with market change. This renewal demonstrates that Accurate Reconciliation from Fiserv supports the SWIFT 2015 Standards Release messaging standards, services and connectivity requirements.

"Companies are faced with rapidly evolving compliance requirements and executives need up-to-the minute financial data to assure confidence to investors and end-customers. Fiserv understands the need to deliver solutions that make life easier for the people responsible for managing operations and finances within an organization," says Tim Grace, senior vice president and general manager, Financial and Risk Management Solutions, Fiserv. "By providing reconciliation technology that carries the SWIFT certification, we are able provide our clients a solution that can support their operations and complex payment requirements with the highest levels of service and efficiency."

"For sixteen consecutive years, Fiserv has shown its commitment to offering clients the most up to date technology for their reconciliation and exception management needs," said Fabian Vandenreydt, global head, Banking & Securities, SWIFT. "We have a stringent set of criteria to support SWIFT messages and connectivity in order for companies to achieve the SWIFT Certified Application label, and Fiserv has proven yet again to be successful in meeting these standards."

Accurate Reconciliation is unique in that it helps enable clients to achieve a seamless end-to-end reconciliation and certification process, giving CFOs a current, precise view of business performance. Users benefit from the ability to reduce operational and financial risk while improving the accuracy of reporting in the financial close.

In a world that is moving faster than ever before, Fiserv helps clients deliver solutions that are in step with the way people live and work today - financial services at the speed of life.
