

GAC Conference Attendees Lend a Hand with Help from Fiserv

April 4, 2019

Attendees create more than 2500 comfort kits for disaster victims and hospitalized children

BROOKFIELD, Wis.--(BUSINESS WIRE)--Apr. 4, 2019-- [Fiserv, Inc.](#) (NASDAQ: FISV), a leading global provider of financial services technology solutions, demonstrated its commitment to communities and the credit union movement at the 2019 CUNA Governmental Affairs Conference (GAC) by donating and arranging the assembly of more than 2,500 comfort kits. The kits will be distributed by the National Credit Union Foundation (the Foundation) to victims of natural and other disasters, and to patients at Children's National Hospital in Washington, D.C.

"One of our values as a company is doing the right thing, and the people and institutions that comprise the credit union movement share that ideal," said Vincent Brennan, president, Credit Union Solutions, Fiserv. "Giving back to the community embodies what it means to be a credit union, and the attendees at GAC were eager to lend a helping hand to brighten the day of people going through a tough time."

GAC attendees were invited to build kits during meal and exhibition hall times. Each kit featured essential self-care materials as well as hand-written notes of encouragement from those who assembled kits.

"Advocacy is a priority at GAC, and it can take on many forms. The concept Fiserv co-created with the Foundation and Children's Miracle Network supported the mission of the event as well as our cooperative value of people helping people," said Gigi Hyland, executive director, National Credit Union Foundation. "We were honored to collaborate with Fiserv on this effort and look forward to more win-win collaborations in the future."

"We were delighted to work with the Foundation and Fiserv to identify a need and facilitate the assembly of these kits," said Nick Coleman, director, strategic partnerships, Children's Miracle Network Hospitals. "The credit union industry has given us tremendous support over 23 years, and it was great to be on the ground with them doing good at GAC."

The assembly of comfort kits at GAC was inspired by Fiserv Gives Back, the company's global corporate social responsibility program. The program supports the local communities where Fiserv associates live and work, with a focus on making an impact in areas of financial health, education, environmental stewardship, and health and wellness.
