Fiserv Announces Tender Offer for Outstanding 6.125% Senior Notes Due 2012

Brookfield, Wis., June 6, 2011 - Fiserv, Inc. (NASDAQ: FISV), the leading global provider of financial services technology solutions, announced today the commencement of a tender offer (the "Tender Offer") to purchase for cash, subject to certain terms and conditions, any and all of its \$1.0 billion outstanding aggregate principal amount of 6.125% Senior Notes due 2012 (the "Notes").

The Tender Offer is scheduled to expire at 5:00 p.m., New York City time, on June 13, 2011 (the "Expiration Date"), unless extended or earlier terminated by the Company. The Tender Offer is being made pursuant to an Offer to Purchase and a related Letter of Transmittal (together, the "Tender Offer Materials"), which set forth a more detailed description of the Tender Offer. Holders of the Notes are urged to carefully read the Tender Offer Materials before making any decision with respect to the Tender Offer.

The following table summarizes certain material terms of the Tender Offer:

Cusip No.	Principal Amount Outstanding	Security Description	Maturity Date	Reference Security	Relevant Bloomberg Page	Fixed Spread
337738AF5	\$1,000,000,000	6.125% Senior Notes due 2012	November 20, 2012	1-3/8% U.S. Treasury Note due November 15, 2012	PX4	35 bps

The total consideration (the "Total Consideration") payable for each \$1,000 principal amount of the Notes validly tendered and accepted for payment pursuant to the Tender Offer will be determined in the manner described in the Tender Offer Materials by reference to the fixed spread over the yield to maturity of the applicable Reference Security listed above, calculated by the Dealer Managers for the Tender Offer as of 2:00 p.m., New York City time, on June 13, 2011, the date on which the Tender Offer expires. In addition to the Total Consideration, the Company will also pay accrued and unpaid interest on the Notes purchased from the last interest payment date up to, but not including, the settlement date. The settlement date for the Tender Offer is expected to be promptly after the Expiration Date, and is currently expected to be June 14, 2011, unless the Tender Offer is extended or earlier terminated.

To receive the Total Consideration, holders of the Notes must validly tender and not validly withdraw their Notes prior to the Expiration Date. Notes tendered may be withdrawn at any time prior to the Expiration Date, by following the procedures described in the Tender Offer Materials. The obligation of the Company to accept for purchase and to pay the Total Consideration and the accrued and unpaid interest on the Notes pursuant to the Tender Offer is not subject to any minimum tender condition, but is subject to satisfaction or waiver of certain other conditions, including a financing condition, described in the Tender Offer Materials.

To the extent the Company repurchases the entire \$1.0 billion outstanding 6.125% Senior Notes due 2012, the Company expects to incur a loss on debt extinguishment of approximately \$53 million after tax, which amount will be excluded from the Company's adjusted financial results.

The Company has retained Merrill Lynch, Pierce, Fenner & Smith Incorporated, Citi and U.S. Bancorp Investments, Inc. to serve as the Dealer Managers for the Tender Offer. Global Bondholder Services Corporation has been retained to serve as the Depository and Information Agent for the Tender Offer.
