## Fiserv Named Technology Provider of the Year at 2015 Payments Awards

**BROOKFIELD, Wis., December 9, 2015** – [Fiserv, Inc.](#) (NASDAQ: FISV), a leading global provider of financial services technology solutions, was recently named Technology Provider of the Year at the [2015 Payments Awards](#). Now in its third year, the *Payments Awards* are organized by fintech publications [FStech](#) and [Retail Systems](#) to recognize cards and payments excellence and technology innovation over the past year. Fiserv was named the winner from among five other shortlisted companies.

“Fiserv is well-regarded for our payments expertise,” said Travers Clarke-Walker, Chief Marketing Officer, International Group, Fiserv. “This award is a proof point of our leadership and reflects our commitment to helping our clients deliver compelling and relevant financial services experiences that enhance the way people live and work.”

Fiserv provides financial institutions of all sizes with technology that enables them to better serve their customers in a fast-changing world, including a full range of efficient in-house and outsourced payment solutions. Innovations that contributed to this industry recognition include:

### Remote Deposit Capture

Fiserv is working with high street banks to enable them to accept remote deposits through mobile phones and recently supported a pilot for a bank in the U.K. By leveraging the experience gained in launching similar services in the U.S. and Australia, Fiserv is in a unique position to help U.K. institutions leverage this new technology to gain competitive advantage.

### Snap-to-Pay™

Snap-to-Pay allows people to use their smartphone camera to capture essential information from paper bill stubs, such as the company to be paid and the account number. This enables users to quickly and easily set up bills to be paid, eliminating the need to input large amounts of information on a small phone screen and facilitating mobile bill payments.

In a world that is moving faster than ever before, Fiserv helps clients deliver solutions that are in step with the way people live and work today – financial services at the speed of life. Learn more at [TheSpeedofLife.com](#).
