Fiserv Health Signs Multi-Year Agreement with Aetna To Expand Aetna Signature Administrators(SM) to all Fiserv Health TPAs

MINNEAPOLIS--Aug. 25, 2005--Fiserv Health, an operating group of Fiserv, Inc. (Nasdaq:FISV), today announced it signed a multi-year agreement with Aetna to expand access to Aetna's PPO network and stop-loss services to each of the Fiserv Health third-party administrators (TPAs). Last year, Aetna had selected Wausau Benefits, a Fiserv Health company, as one of the first Aetna Signature Administrators(SM), an initiative directed at self-funded employers who traditionally use TPAs to manage their employee benefit plans. The expanded multi-year agreement will extend to Benesight, Harrington, Benefit Planners, Administrative Services Group, and Fiserv Health--Kansas.

Effective immediately, Fiserv Health TPAs will offer Aetna's national PPO provider network as well as its stop-loss reinsurance to its prospective and existing customers nationwide.

"We are pleased with how well the collaboration between Wausau Benefits and Aetna worked over the past year," said Jim Cox, president of Fiserv Health. "We are delighted to expand this agreement nationwide. This is an excellent value proposition for our customers--providing them access to the Aetna PPO along with the efficient and accurate administration they've come to expect from our Fiserv Health companies."
