Fiserv Gives Back; Donates School Supplies to Communities Across the Country, Including South Bend, Ind.

South Bend, Ind., September 25, 2012 - [Fiserv](#), Inc. (NASDAQ: FISV), a leading global provider of financial services technology solutions, announced today that Fiserv associates in communities across the country, including South Bend, Ind., held back-to-school drives throughout the months of July and August in order to collect and donate school supplies to not-for-profits in their local communities.

The Fiserv South Bend office delivered 10 grocery bags full of school supplies to the [Pack-a-Backpack](#) back-to-school drive hosted by local television station WNDU 16. The supplies included backpacks, binders, color pencils, folders, scissors and more, and were donated to low-income children ranging from kindergarten through sixth grade who live in the local community. Over the past 11 years, WNDU 16 Pack-a-Backpack has delivered more than 38,000 kits of school supplies to needy children.

In the past year, the South Bend office also hosted a "Focus on Saving Lives" blood drive in conjunction with [South Bend Medical Foundation](#), contributed to [Operation Troop Appreciation](#), sponsored children in the [Jump Rope for Heart](#) for the American Heart Association and raised money for the [American Cancer Society](#) through Daffodil Day. During the past holiday season, the South Bend office collected toys for [Toys for Tots](#) and hosted a "Giving Tree" in the office through which monetary contributions and physical gifts were collected and given to a local homeless shelter and two local schools in need of funding.

In the U.S., Fiserv is supporting a variety of not-for-profits with school supply drives in the following cities: Dallas; Hillsboro, Ore.; Jersey City, N.J.; King of Prussia, Pa; Lake Mary, Fla.; Morris Plains, N.J; Norcross, Ga.; and South Bend, Ind. Fiserv estimates its associates have delivered, in total, over 5,500 individual school supplies to communities across the country this summer.

"Education is an important area of giving for Fiserv and its associates," said Judy DeRango Wicks, vice president, Communications, Fiserv. "Education is at the core of a healthy and successful child, and can provide guidance for all areas of life including future financial decisions. For this reason, many associates at our offices across the country work to donate school supplies during the back-to-school season."

Fiserv core values are demonstrated by supporting the communities in which its associates live and work, with a focus on youth service organizations and providing assistance in the areas of health and wellness, education and financial literacy. Fiserv annual contributions include both monetary support and the organization of volunteer efforts. The company has a volunteer network called "Fiserv Gives Back" in which nearly 20,000 hours have been logged to over 300 different organizations year-to-date in 2012.
